

This comment is regarding you attempting to take K-LOVE off the air in some areas. K-LOVE has been a big influence to me and my family and other families in our area. If you replace K-LOVE with another station, you will be taking away the only Christian radio station that has music that the whole family, not just one specific age group, can listen to and enjoy. I believe that K-LOVE is the biggest positive influence and that it has done plenty of things for our community that will not continue if you replace it.
